Sir,

I had an opportunity to watch the Television Programme yesterday especially the inaugural function of 'Madras-Kodaikanal' Telecast Link. I was not able to see even a trace of the Prime Minister's Policy being implemented over there, namely free Press media. I could find that all the V.I.P.'s who attended belonged to Congress (I). Is this the way to implement Prime Minister's free Press policy! Is everything based on Delhi Politics. None other party people were invited for the programme. It is also pertinent to note that even DMK Party M.P., and M.L.A., of Chepauk was not invited.

The Free Press Policy is practiced is only in letters not in action.

Yours sincerely,

(S. RADHAKRISHNAN).
General Secretary,
Tamil Nadu Kamaraj Congress.
